NOTICE TO DOG OWNERS
REVISED STATUTES OF MAINE
CHAPTER 5

Sec. 158. Dogs to be annually registered, numbered and licensed.

Every owner or keeper, on the first day of April, of a dog more than four months old, shall annually before the tenth day of said April, cause it to be registered, numbered, described, and licensed for one year commencing with the first day of April aforesaid, in the office of the clerk of the city or town where said dog is kept, and shall keep around its neck a collar distinctly marked with the owner's name and its registered number, and shall pay to said clerk for a license the sum of one dollar and fifteen cents for each male dog and for each female dog incapable of producing young so kept, and five dollars and fifteen cents for each female dog capable of producing young.

Sec. 161. Penalty for keeping unlicensed dog. Whoever keeps a dog contrary to the provisions of this chapter shall forfeit ten dollars, five of which shall be paid to the complainant and five to the treasurer of the town in which the dog is kept, and in addition thereto shall pay the cost of prosecution.

STATE OF MAINE
STATE DEPARTMENT OF AUDIT

Augusta

February 5, 1941

To the Inhabitants of the Town of Mount Desert:

In accordance with your request, this department, represented by Mr. G. C. Lewis and Mr. J. R. Bishop, has completed an examination of the accounts of your town officials for the municipal year ended December 31, 1940.

Our report, herewith submitted, was prepared from your town records and, to the best of our knowledge and belief, properly reflects the true financial condition of your municipality as of the above date.

The data obtained by us is summarized in the following:

| | Comments |
|------------|--|
| Exhibit A | Comparative Balance Sheet |
| B | Report of Treasurer |
| C | 1940 Valuation and Commitment |
| D | Statement of Appropriation Accounts |
| Schedule 1 | Reconciliation of Treasurer's Cash Balance |
| 2 | Summary of Uncollected Taxes |
| 3 | Accounts Receivable |
| 4 | Trust Funds |
| 5 | Analysis of Change in Net Debt |
| 6 | Notes Payable |
| 7 | Bonds Payable |
| 8 | Unexpended Balances |

Respectfully submitted,

HAROLD E. CRAWFORD,
Municipal Auditor

REPORT OF THE TOWN MANAGER

To the Honorable Board of Selectmen
and Citizens of Mount Desert:

At the close of business December 31, 1940 the financial statement shows \$23,664.99 cash on hand and a reduction in town debt of \$11,801.25. The present debt consists of \$137,000.00 in bonds and \$33,042.50 in notes making a total of \$170,042.50. The total assessed value of all property for 1940 was \$3,976,710.00, the legal debt limit is \$198,835.50. The next two years the debt should reduce \$23,602.50, the third year it will reduce \$7,440.00, after that it will reduce \$6,000.00 per year.

Expenditures in the poor department were \$46.71 more than in 1939, and \$3,222.22 less than 1938.

The continuous operation of the work on the Sargent Drive was a great benefit to the town, not only by the improvement of the Sargent Drive, but employment was provided to many citizens who would have been unemployed a greater part of the year without this project. Two and two-tenths miles of road is nearly completed, tar has been applied north as far as the Brown residence, the remainder of the road to the Sound road has been based and surfaced with gravel, drainage improved, stone culverts lengthened, and alignment straightened. As soon as the weather is suitable this spring tar should be applied. The Federal payroll on this project for the last two weeks was \$2,900.

The National Youth Administration is continuing the work started last year of providing skating rinks.

The following equipment was purchased during the year: a Byers ½ yard gas shovel, a snow plow for the Walter truck, an Ingersoll-Rand air compressor, and a jackhammer. This equipment is all necessary for efficient operation. The purchase of the shovel was especially commendable. During the last twelve years the Town has paid for rental enough to purchase two shovels.

State Aid and Third Class funds were expended on the continuation of the road north over Brown Mountain, and 1,600 feet north from the Tremont-Mount Desert town line. A survey has been made for the continuation of the road north from the end of 1940 construction at Brown Mountain. The new location will be east of the present road, one long flat curve will eliminate the right and left curves near the Murphy gravel pit.

The tax collector's report shows that 97.7% of the current taxes and \$8,474.45 of back taxes were collected.

In another part of this report will be found a list of surplus commodities which have come to citizens of our town. Also an explanation of the Federal Food Stamp Plan. This plan has been adopted by a great many cities and towns and has proved a benefit to both the recipient and the merchant. Adoption has been approved by the Board of Selectmen and steps have been taken to put the plan in operation.

I want to express my appreciation to Mr. Lester D. Burr, former tax collector and treasurer, for his splendid cooperation. His thorough knowledge of town affairs and his constant desire to be of assistance made him very valuable in the town office.

I want to thank all who have worked with me during the last year. Cooperation is always appreciated.

Respectfully submitted,

Herbert A. Thomas,

Town Manager.

FEDERAL SURPLUS COMMODITIES

Following is a list of surplus commodities furnished by the Federal Government during the year. The Town pays the shipping and disbursement costs. An average of 153 families representing 614 persons have received this food.

- 14,828 lbs. white flour
- 11,544 lbs. graham flour
- 14,099 lbs. apples
- 4,542 lbs. lard
- 4,361 lbs. prunes
- 4,105 lbs. potatoes
- 4,107 lbs. corn meal
- 4,192 lbs. raisins
- 4,005 lbs. oranges
- 3,714 lbs. cereal
- 2,640 lbs. cabbage
- 2,049 lbs. butter
- 1,420 lbs. pears
- 1,186 lbs. rice
- 1,814 lbs. rolled oats
- 1,235 lbs. tomatoes
- 676 lbs. dried beans
- 590 lbs. smoked herring
- 970 lbs. bacon
- 5,011 doz. eggs

The adoption of the Federal Food Stamp Plan will eliminate the distribution of surplus commodities, as listed above. The food stamp plan is a new way of distributing surplus food.

Operation of the food stamp plan is conducted by the United States Department of Agriculture in cooperation with local welfare agencies, public officials, banks, farmers and the food trade.

Two kinds of food order stamps, orange and blue, are issued. Both are worth 25c each at any retail food store taking part in the program.

Any family now supported by the Town and receiving a \$5.00 food order each week will under the stamp plan receive \$5.00 worth of orange stamps paid for by the Town and \$2.50 worth of blue stamps which are paid for by the Federal Government. With the orange stamps the recipient can purchase the usual food and with the blue stamps he can purchase at the same store foods approved by the government which will be a list similar to the above surplus com-

modity list. The government approved list will vary with the season to include fresh fruits and vegetables.

The resultant food value of each order is increased 50%. The local dealer is benefited by doing 50% more business with each order.

Those who are not receiving town assistance but are receiving surplus commodities can purchase the orange stamps and receive the same proportion of blue stamps free, if the application is approved by the municipal officers.

The blue stamps take the place of the surplus commodities and the business is transacted through the local stores.

Stamps received by merchants in payment for food may be converted into cash by bringing them directly to the Surplus Marketing Administration office or by turning them into a wholesaler or bank.

Report of the Town Clerk

The following is a record of vital statistics recorded during 1940:

Births:

George A. Nickerson, born December 12, 1939
Helen Hart Wood, born January 22, 1940
Robert J. Craney, born September 6, 1939
Dona M. Gonzales, born January 31, 1939
Ruth E. Richardson, born March 8, 1939
Stephen A. Smith, born January 2, 1940
Joyce Ann Leach, born January 23, 1940
Kendrick A. Smith, born February 10, 1940
Judith E. Stanley, born January 24, 1940
Harvey W. Robinson, born February 11, 1940
Nancy E. Freeman, born February 11, 1940
Prudence E. Haskell, born February 23, 1940
Evelyn A. Merchant, born April 2, 1940
Stephen E. Coffin, born January 15, 1940
Geraldine F. Tripp, born February 22, 1940
Gerald W. Norwood, Jr., born March 4, 1940
Wilmont M. Harvey, Jr., born April 1, 1940
Jane Marie Eaton, born June 3, 1940
Forest A. Perkins, born April 3, 1940
Susan I. McGuire, born June 12, 1940
Peter W. Bucklin, born May 11, 1940
Locklyn G. Merchant, born July 12, 1940
Eugene M. Sanborn, born September 15, 1940
Ralph D. Gonzales, born November 27, 1940
Rolf W. Gonzales, born November 27, 1940
Avis S. Morris, born November 22, 1940
Alma A. Hartford, born December 3, 1940

Marriages:

Earl E. Coston and Miss Margaret Liscomb, June 3, 1939
Lewis F. Reade, Jr., and Miss Vera Lewis, January 28, 1940
James A. Parker and Miss Helen Wright, February 10, 1940
Dean M. Jones and Miss Halene Reed, February 14, 1940
Peter Cirard and Mrs. Mary H. Gardner, February 20, 1940
Albert E. Packard and Miss Bernice E. Ashley, March 3, 1940
William G. Collins and Miss Margaret Leighton, April 4, 1940
George R. Harnish and Miss Beatrice Hedges, April 23, 1940

Asbury F. Thomas and Miss Hazel E. Smith, May 18, 1940
Charles Lanpher and Miss Juanita Means, June 1, 1940
Elliott J. Higgins and Miss Dorothy Wescott, June 22, 1940
Carl R. Luce and Miss Avis A. Price, June 29, 1940
Gregory S. Eddy, Jr., and Miss Dorothy Hollis, June 12, 1940
John E. Pervear and Miss Prudence M. Joy, August 10, 1940
Frederick M. Rogers and Miss Esther Fennelly, July 17, 1940
Robert E. DeRevere and Miss Freda L. Brewer, July 30, 1940
John T. McDonough and Miss Catherine B. Redden, August 12, 1940
Justin E. Driscoll and Miss Carolyn E. Gifford, August 17, 1940
Carl W. Oyer and Miss Kathryn McQuaig, July 18, 1940
Morrill A. Gatcomb and Mrs. Olga G. Merritt, August 17, 1940
Roger Grindle and Miss Eleanor Stairs, August 19, 1940
Frederick DeRevere and Miss Harriet A. Sprague, August 4, 1940
Edwin R. Trafton and Miss Hilda Haskell, September 1, 1940
Herbert I. Bragg and Miss Marjorie Bridges, September 7, 1940
Reginald F. Gray and Miss Rita E. Carter, August 15, 1940
Lewis H. Bracy and Miss Lillian F. Perry, October 5, 1940
Ralph Savage and Miss Annabel Carey, October 3, 1940
Paul G. Favour and Miss Edith Falt, September 14, 1940
Lester R. Hartford and Miss Anna O'Brien, September 21, 1940
Durwood F. Gordius and Miss Margaret Burton, October 5, 1940
Ernest L. Young and Miss Ella R. Reed, October 5, 1940
Elmer Reed and Mrs. Jennie Cirard, November 15, 1940

Deaths:

Melville L. Allen, November 19, 1939
Everett W. Blanchard, December 1, 1940
Carrie A. Carney, May 10, 1940
Leslie G. Clement, January 11, 1940
Nathan Fennelly, July 28, 1940
Rhoda Gilley, February 23, 1940
Earl B. Gilley, July 30, 1940
Lillian B. Hatt, October 25, 1940
Alma A. Hartford, December 25, 1940
William H. Jordan, August 30, 1940
Chauncey D. Joy, November 25, 1940
Stella A. Knox, November 19, 1939
Reuben F. Lurvey, April 11, 1939
Linda E. Lurvey, April 17, 1939
Fred L. Lurvey, January 11, 1940
Flora B. Manchester, October 6, 1939

King T. Meader, September 18, 1940
Albert K. McBride, February 18, 1940
Attilo Ninfi, April 26, 1940
Eva R. Ober, February 16, 1940
Lettie S. Reed, January 22, 1940
Cora A. Richardson, January 6, 1940
Ida Somes Richardson, March 17, 1940
S. Louise Smallidge, January 3, 1940
Caro May Somes, June 6, 1940
Charles E. Stover, January 28, 1940
Annie E. Smallidge, December 4, 1940
Lillian A. Stanley, November 26, 1940
Nellie G. Smallidge, October 6, 1940
Ella M. Varnum, March 16, 1940
Lottie M. Williams, September 29, 1940
Katherine J. Whitmore, February 28, 1940
Carrie E. Young, August 9, 1940
John F. Young, June 28, 1940

Respectfully submitted,

L. Lawrie Holmes,
Town Clerk.

Report of Superintendent of Schools

To the Superintending School Committee and Citizens of
Mount Desert:

I submit herewith the annual report of the schools of this Town, with the statement of all funds received and expended during the year. Reports from the Principals of the High Schools are also included for your consideration.

The fiscal year has closed with a small balance in the school accounts, as shown in our consolidated statement. We have no outstanding bills. We have been somewhat concerned at the reduction in the amount of State school fund this year, when compared with that of previous years. On the basis of school census, we are receiving less funds each year. Instead of the \$3 for each pupil between the ages of 5 and 21 years, we are now receiving only \$1.65. This, of course, is not a local problem. It can be solved only by the provision of additional sources of State school revenues.

The repair appropriation this past year, somewhat larger than usual, made it possible to carry through rather extensive building renovations. The exterior of the Gilman building, and the trim of the Stetson and Dunham buildings were painted last summer. Classrooms in the Stetson, Dunham and Hall Quarry buildings were also repainted. Among the items to be considered in the near future we would call attention to the masonry work of part of the Stetson building. The brick walls have been leaking over a considerable period of time. It is therefore impossible to maintain a finish on some classroom walls since a surplus of moisture causes the plaster and paint to peel. Estimates on this item run quite high, but in the interest of economy the repairs must be made before too long. We mention, again, the advisability of moving the Town garage from the Otter Creek school grounds. Playground facilities would thereby be improved, lighting of one classroom would be greatly increased, and the objectionable tractor noise would be eliminated.

The work of the schools during the past year has been, in general, quite satisfactory. Attendance has suffered at intervals because of sickness, and, of course, lowered attendance results in lowered efficiency. We would urge the cooperation of parents in keeping pupils at school whenever the physical condition of the pupil permits. Health is the most important factor in education, and yet is one that receives a comparatively small amount of attention. The home could render a great service to the school and to the pupil by the enforcement of those health habits which have such a direct

bearing on mental development. It is impossible for boys and girls of school age to be at their best in school, making the most of their opportunities, if they do not have an adequate amount of sleep, as well as the right kind of food. We have introduced new health textbooks in all elementary grades. An increased emphasis will be laid upon this important phase of the pupil's training, and we do urge the cooperation of the home in this matter.

Among other new textbooks, an English series has been added to the elementary grades. The high school curriculum has made some additional provisions for the training of the large percentage of boys and girls who do not have the privilege of a college education. We believe that the schools should have a broader curriculum base; that more attention should be given to the large numbers of youth who follow the trades, and who make up the average citizenry of the community. At the same time, our curriculum provides all subjects necessary for entrance to any of the Maine Colleges, and to most of the New England institutions.

It seemed advisable to make some changes in the teaching program of the elementary schools this year. The enrollment of pupils in the Stetson building, for some reason is at present decreasing. This is probably only a temporary condition, however, and may be reversed within a short time. The opposite proved to be the case in connection with the Somesville school. With only three teachers to direct the eight elementary grades, involving an enrollment of nearly one hundred, and with inadequate room accommodations, a change in organization became necessary. The two upper elementary grades have been added to the high school administration, leaving three teachers to direct the six lower grades. By reducing the Stetson faculty to six teachers, we were able to add the extra much needed one at Somesville, and the improved resultant conditions have been much more satisfactory.

We regret the loss of some valuable teachers during the past year. Mr. Carol Ronco, of Seal Harbor, secured a much better position in Connecticut. Mr. Barker, former principal of the Mechanics Falls elementary school, has taken his place. Miss True of Seal Harbor also resigned, to leave the teaching profession and her place has been filled by Miss Kitchen, of Palermo. Mr. Preble, a graduate of Farmington Normal School, and of Boston University, is teaching both elementary and secondary subjects at Somesville, replacing Nelson Leland who accepted a position in the Bar Harbor schools. Miss Thomas graduate of a Massachusetts teacher's college, is teaching the intermediate grades at Somesville. We feel confident that the schools are all well staffed this year. The older teachers in point of service in this community, as well as the newer members,

are working faithfully toward the steady improvement of the schools.

We respectfully urge that the careful consideration of every citizen and taxpayer be given to the report of the High School Committee. A new building is definitely needed in the immediate future. The present buildings are incomplete, inadequate, and very poorly equipped. We must not lose sight of the fact that proper facilities have a very definite relationship to the quality of training and preparation available for the pupil.

The present high schools are decidedly limited in the scope of their activities. Additional courses in physical education, music, debating and public speaking should be included in our curriculum, but such changes are impossible under present conditions. The newly organized band, under the leadership of Mr. Young and Mr. Kennedy, has made excellent progress. An available room in the school building would be a very definite aid to the work of this organization. The school and community would both find, in a new building with a modern auditorium, interests which would be of mutual benefit and of real value.

The construction of a new school building is an enterprise demanding a great deal of consideration, from the financial as well as from the educational angle. It is to be carried through to completion in time to avoid a serious school situation, there must be some action taken in the very near future.

In closing this report, may we express our appreciation of the loyal cooperation of teachers, janitors, conveyance drivers, and citizens in general, which has made possible the success of the past year. To the members of the School Committee, and to Mr. Thomas, we would also convey our thanks for their friendly and invaluable counsel and assistance.

Respectfully submitted,

I. E. Adams,

Superintendent of Schools.

GILMAN HIGH SCHOOL

Annual Report

To the Superintendent of Schools:

Our current enrollment shows an increase of eight over that of last year. Our seating capacity is taxed to care for this increase, small though it is. The main room is filled to capacity, as is the commercial room. The English room takes care of the remaining pupils. Every available seat is occupied and space for more desks can be found only by further crowding in class rooms. We have no study hall, since every room has to be used as a class room. All pupils are thus obliged to do their studying in rooms where others are making oral recitations, a situation not conducive to concentrated study.

Our enrollment is as follows:

| | | | |
|------------------|-----|---------------------------|----|
| Seniors | 20 | Division by courses: | |
| Juniors | 27 | College Preparatory | 29 |
| Sophomores | 25 | Industrial Arts | 73 |
| Freshmen | 36 | General | 6 |
| | — | Division by sex: | |
| Total | 108 | Girls | 60 |
| | | Boys | 48 |

The various departments are functioning smoothly and making, I believe, steady progress in the right direction. Our customary extra-curricular activities provide opportunities for efforts in journalism, public speaking, glee club singing, dramatics, athletic sports, including hiking, and playing band instruments. The school is proud of the progress made by our newly organized band under the direction of Mr. Stanley Young, assisted by Mr. Kennedy of the faculty. Many favorable comments have been made by citizens who have heard the girls and boys play. No high school room suitable for band practice is available, but this year we are fortunate in being permitted the use of a room at the Neighborhood House one afternoon a week. In sports last year our basketball team was very successful, winning the county tournament and taking the consolation at the regionals in Brewer.

Last year's prize winners were:

John Suminsby, Woman's Literary Club Prize

Dorothy Wescott, Old Timers Club Watch

Rosalie Joy, Lions' Club Prize

Richard Billings, Lions' Club Prize

Roger Grindle, The Becker Key

New members elected to membership in the National Honor

Society are Marie Billings, Joan McNulty, Lurline Soukup and John Suminsby.

Eight members of last year's graduating class of seventeen are pursuing advanced work in Normal School, College or Technical School. Eight Gilman alumni will be graduated from college and one from a nurses' training school in June this year.

Respectfully yours,

Carl E. Kelley,
Principal.

MOUNT DESERT HIGH SCHOOL

To the Superintendent of Schools:

A summary of the enrollment and activities of Mount Desert High School for the past year is as follows:

School opened in the fall with an enrollment of twenty-eight students as indicated below:

| | | | |
|------------------|----|----------------------|----|
| Seniors | 9 | Division by courses: | |
| Juniors | 9 | College Preparatory | |
| Sophomores | 4 | Industrial Arts | |
| Freshmen | 6 | Division by sex: | |
| | — | Girls | 13 |
| Total | 28 | Boys | 15 |

The courses of study have remained the same as last year, offering a complete college course and a complete commercial course. Domestic science and manual training are electives for the college preparatory course and required in the commercial course. This plan provides a well balanced program for both courses.

I believe that attention should be called at this time to the crowded conditions in three of the grade rooms of our building. The fact that Mrs. Somes' room is completely filled and Miss Thomas' and Mr. Preble's rooms are over-crowded causes problems of light and ventilation.

The teacher load because of crowded conditions made necessary the engaging of an additional grade teacher. I believe the school department was indeed fortunate in obtaining Miss Thomas, a very progressive, pleasing, and efficient teacher.

The teachers and parents regret Mr. Leland's decision to leave us as teacher of grades seven and eight. Again we were fortunate in Mr. Adams' selection of a successor, Mr. Preble, a graduate of Farmington Normal School and Boston University.

The overcrowded condition mentioned above still exists and requires a general rearrangement which will be a difficult problem.

The usual activities have been carried out: Senior play, junior speaking, one-act play contest, annual school fair, senior supper and class or club socials.

We have enjoyed a successful year of athletics winning a fair percentage of our contests.

At graduation The Woman's Literary Club trophy was awarded to Elizabeth Sanborn. The Becker Commercial Award was won by Roger Gonzales. The Mount Desert Lions Club sophomore prizes of five dollars each were won by Ruth Latty and George Parker. The baseball trophy was awarded to Clarence Dickey.

The National Youth Administration Projects both in and out of school have benefited our building in many ways. All desks and chairs have been refinished. A complete noon-lunch program has been introduced and one hundred and ten students from the high school and grades are being served one hot dish daily to supplement the lunch box.

In addition to the above a skating rink has been made available.

With the cooperation of the parents the individual scholastic standing has improved the past year.

I am ever conscious of the hearty cooperation of our teachers, bus drivers, and janitor. This cooperation combined with the moral and financial backing of our community has made our school one of which to be proud.

Our faculty and student body have found the superintendent and members of the school committee ever willing to help when such was needed for the advancement of real education.

I wish to take this opportunity to thank Mr. Adams and those members for their constructive help and cooperation.

Respectfully submitted,

Rolf B. Motz,

Principal.
